

PRANIC PULSE

AUGUST 2026 EDITION

A Double Celebration

15th August is a day of double celebration for every Pranic Healer in India.

It marks the day our nation attained freedom in 1947 and it is also the birthday of our beloved Guru, GrandMaster Choa Kok Sui, who gave us the greatest freedom of all, the realization that -

“I am not the body. I am the soul.”

Through Pranic Healing, Master gifted us practical techniques that continue to heal, transform and uplift millions across the world. His teachings, carefully documented in his books, ensure that these sacred protocols can be practised with accuracy for generations to come.

This birthday edition celebrates the miracles of Pranic Healing and honours the extraordinary legacy of our beloved Master...

Possible Miracles (The Golden Lotus Sutras on Pranic Healing)

“Miracles are fantastic events, which utilize hidden laws of nature. Most people are unaware of these laws. Miracles do not break the laws of nature; they are actually based on them.
